

2026 Spring (April) Graduate School Enrollment

Overview of Special Recommendation Admissions for International Students

In order to actively accept international students, the Special Recommendation Admissions Entrance Examinations are conducted for students of universities designated by Kansai University.

The Entrance Examinations are for outstanding international students with strong desire to study and research in specific fields at Kansai University.

This is the admission to recommend students by the designated university and select students by Kansai University Graduate Schools.

Admissions are conducted on the basis of the application documents, with no written or oral examinations.

<8 Graduate Schools>

**Law/Letters/Economics/Business and Commerce/Sociology/
Societal Safety Sciences/East Asian Cultures/Governance**
